

The Buzz @Newtown North

Term 4, Week 4, 2017

Dear parents and carers,

A few parents have been asking about where we are at with the school cooling project.

Last week I explained in the newsletter that we are exploring our options given our current resources and the structural limitations of our building. I am working this week with the P&C and one of our parents to determine the energy and cooling options we have available to us. Further to this I have consulted with another local school who have engaged the expertise of a consultancy firm about providing an economical, effective and environmentally appropriate solution for our school. We will learn from this process and the experience of others about what will be the most effective method for us to move forward with. Once we have our solution we will be able to work with our assets department to develop a whole building solution. Thank you to everyone who continues to support this ongoing and complex project.

Working with Children check.

If you are a member of our P&C or if you volunteer at school in any capacity you are required to fill out a 100 points identification check and apply for a free, volunteer working with children check. If you have not already done so please provide Libby with the documentation and sign the identification check.

Touch Football Gala Day

On Wednesday 25th October, twenty students from Newtown North represented the school in a touch footy gala day. We played many schools teams, but our senior team just missed out on the finals. The junior team had more luck, drawing 1-1 in the final. We had such a great time running around and scoring tries. It would be so amazing if the school was able to do this again next year!

Talent Show

We will be holding our annual NNPS Talent Show on Thursday 2nd November. It is organised and run by the SRC for the students of NNPS. Over 50 acts have been auditioning during lunches over the last two weeks. Congratulations to everyone who auditioned. The talent was extremely high.

Sixteen acts have been chosen to perform this year. The show will take place between 9:45 to 11am.

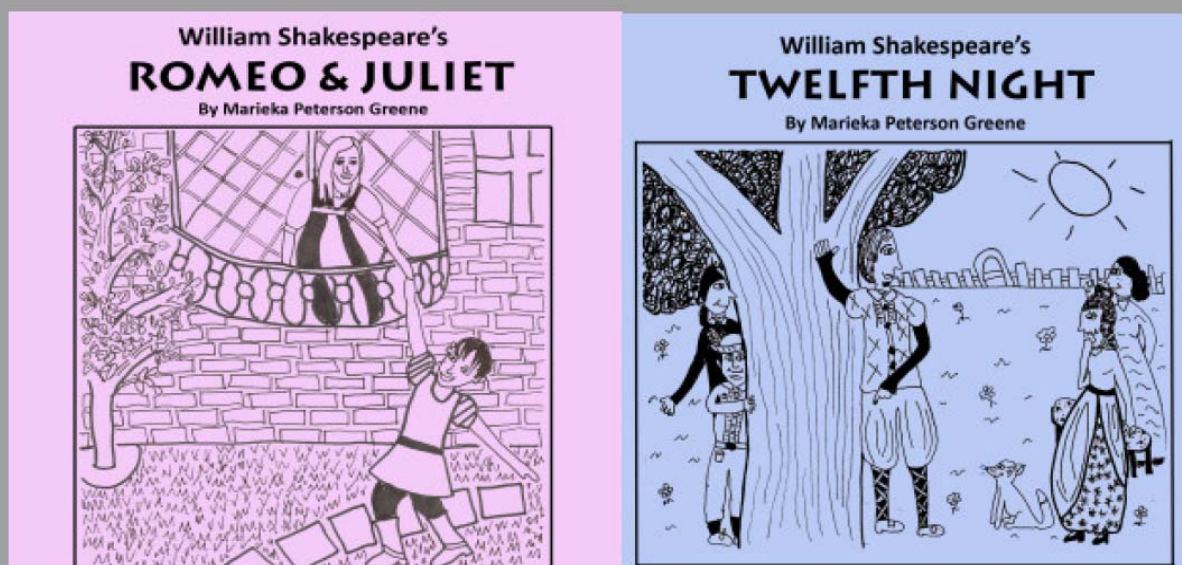

Parents are welcome to come.
